

Seminar & Workshop

Dr. Paul Snelgrove

The Census of Marine Life and Beyond: Life in a Changing Ocean

Date: Tuesday 28 June, 2011

Seminar

Time: 10:00 a.m. – 11:00 a.m.

Location: JCU Building 17 (Faculty Science & Engineering), Room 101

Workshop (followed by light lunch)

Time: 11:15 a.m. – 1:00 p.m.

Location: JCU Building 145 (ATSIP), Ground Floor Conference room

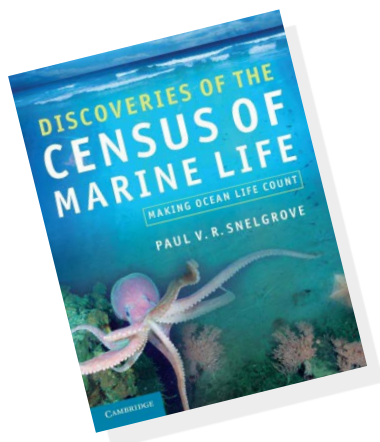

Join us for a seminar by Dr. Paul Snelgrove, Professor at Memorial University of Newfoundland and author of *Discoveries of the Census of Marine Life: Making Ocean Life Count*. The presentation will be followed by an informal workshop to discuss strategies to develop a follow-on program to the Census of Marine Life.

All are welcome to attend.
