

Associate Professor Alana Grech

ARC Centre of Excellence for Coral Reef Studies
James Cook University
Townsville, Queensland 4811 Australia
Tel: 07 4781 4107 Mob: 0407 705 088
E-mail: alana.grech@jcu.edu.au
ORCID: 0000-0003-4117-3779
Website: <https://research.jcu.edu.au/portfolio/alana.grech/>

Current position

Assistant Director (Nov 2016 – Dec 2022)

Australian Research Council Centre of Excellence for Coral Reef Studies, **James Cook University**, Townsville, Australia

Previous positions

Lecturer (July 2013 – Jan 2016) and Senior Lecturer (Jan 2016 – Nov 2016) in Spatial Information Science

Department of Environmental Sciences, **Macquarie University**, Sydney, Australia

Postdoctoral Research Fellow (May 2010 – July 2013)

Australian Research Council Centre of Excellence for Coral Reef Studies, **James Cook University**, Townsville, Australia

Qualifications

PhD (2010)

School of Earth and Environmental Sciences, **James Cook University**, Townsville, Australia

Bachelor of Environmental Science, 1st Class Honours (2003)

School of Earth and Environmental Sciences, **University of Adelaide**, Adelaide, Australia (Major: Soil Conservation)

Amount of time as an active researcher

I was awarded my PhD in 2010, and in that period I have experienced 20 months (1.0 FTE) of academic interruptions due to two periods of parental leave and part-time work. I have had the equivalent of **5.6 full-time years of postdoctoral research experience** due to parental leave, part-time work and teaching and service roles at two universities. My current work profile includes 0.6 FTE of research-related service and 0.4 FTE of research.

Awards

Award for Excellence in Graduate Research Leadership (2019)

Graduate Research School, James Cook University

Queensland Young Tall Poppy Scientist of the Year Award (2018)

Australian Institute of Policy and Science

Business Higher Education Round Table (BHERT), Award for Outstanding Collaboration for National Benefit (Non-Economic) (2017)

Awarded to members of the Biodiversity Node of the NSW Office of Environment and Heritage Adaptation Research Hub

Asem Duo Fellowship, Wallonie-Bruxelles International (2015)

Teaching and research collaboration, Macquarie University and Université catholique de Louvain, Belgium. A Grech and E Hanert €10K

Learning and Teaching Award, Macquarie University Department of Environment and Geography (2014)

Learning and Teaching Award for Undergraduate Teaching in Spatial Information Science. M Chang and A Grech \$2K

Early Career Researcher Award, National Environmental Research Program (2013)

Sponsorship to attend the Australian Academy of Science, *Science at the Shine Dome*

Winston Churchill Memorial Trust Fellowship (2012)

Fellowship at the International Centre for the Study of the Preservation and Restoration of Cultural Property in Rome, Italy. \$15K

Research grants > \$10,000

Australian Research Council Linkage Grant	Collaborative science for monitoring of Northern Territory marine megafauna. Chief investigators: S Banks, R Harcourt, A Grech, C Salgado Kent. \$535K (2020 – 2024)
Australian Department of Agriculture, Water and Environment	How effective are Australian Marine Parks at protecting EPBC listed species and what can be done to improve their efficacy? Our Marine Parks Round Two. Chief investigators: T Pisani, R Harcourt, A Grech, D Slip, V Tulloch \$151K (2020 – 2022)
Great Barrier Reef Marine Park Authority	An assessment of the distribution and abundance of dugong and in-water large marine turtles along the Queensland coast from Cape York to Hinchinbrook Island. Chief investigators: H Marsh, S Sobotzick, A Grech \$423K (2018 – 2020)
Australian Department of Agriculture, Water and Environment	Stranding's action plan for cetaceans. Chief investigators: R Harcourt, I Jonsen, A Grech \$155K (2016 – 2017)
The Ian Potter Foundation	Predicting dispersal and connectivity of seagrass meadows in the Great Barrier Reef and Torres Strait. Chief investigator: A Grech \$20K (2015 – 2016)
Australian Department of Agriculture, Water and Environment	Update Species Information and Threats Database (SPRAT) profiles. Chief investigators: R Harcourt, A Grech, V Pirotta \$41K (2015).
Great Barrier Reef Foundation	Measuring coral health, integrating cells to satellites. Chief investigators: B Leggat, T Ainsworth, B Gordon \$150K (2014 – 2015)
Macquarie University New Staff Scheme	Innovative models of seagrass connectivity to inform conservation planning. Chief investigator: A Grech \$20K (2014 – 2015)
New South Wales Adaptation Research Hub, Biodiversity Node	Evaluating the status of the NSW terrestrial reserve system under a changing climate. Chief investigators: A Grech, L Beaumont \$30K (2014 – 2015)
Australian Marine Mammal Centre	Improving the time series of estimates of dugong abundance and distribution by incorporating revised availability bias corrections. Chief investigators: H Marsh, A Grech \$85K (2014 - 2015)
National Environmental Research Program Tropical Ecosystems Hub	Abundance of turtle and dugong in western Torres Strait. Chief investigators: M Hamann, H Marsh \$260K (2011 - 2014)
Australian Marine Mammal Centre	Aerial survey of Torres Strait to evaluate the efficacy of an enforced and possibly extended Dugong Sanctuary as one of the tools for managing the dugong fishery. Chief investigators: H Marsh, A Grech \$106K (2010)
Australian Research Council Linkage Grant	Innovative systematic conservation planning for Indigenous Land and Sea Country: Torres Strait as a case study. Chief investigators: R Pressey, H Marsh \$350K (2010 - 2012). <i>I was primary author of the proposal but not listed as a chief investigator.</i>
Australian Marine Mammal Centre	Developing a decision process based on expert knowledge to inform the management of dugongs and coastal dolphins in Northern Australia: Phase 2. Chief investigators: H Marsh, G Parra \$73K (2010 - 2011)
Australian Marine Mammal Centre	Developing a decision process based on expert knowledge to inform the management of dugongs and coastal dolphins in Northern Australia. Chief investigators: H Marsh, J Bradley, S Whiting, G Parra, A Grech, S Johnson \$79K (2009 - 2010).

Marine and Tropical Sciences Research Facility	Risk assessment for coastal seagrass habitats: values, threats and vulnerabilities. Chief investigators: A Grech, R Coles \$60K (2007 - 2010)
Marine and Tropical Sciences Research Facility	Workshop on spatial closures for dugong and turtle management. Chief investigators: H Marsh, M Hamann, N Stoeckl \$20K (2008 - 2009)
Marine Species Recovery and Protection Grants Programme	Providing a knowledge base for implementing the National Partnership Approach to marine turtle and dugong management in the Gulf of Carpentaria by integrating Traditional Ecological Knowledge and western science. Chief investigators: H Marsh, A Grech \$48K (2008 - 2009)
Marine and Tropical Sciences Research Facility	Building the capacity of Torres Strait Islander communities in natural resource management through integration of Traditional Ecological Knowledge and Western Scientific Knowledge. Chief investigators: H Marsh, A Grech \$59K (2007 - 2008)
Australian Marine Mammal Centre	A spatially explicit population model to inform negotiations between Traditional Owners and the relevant management agencies about options to manage the dugong fishery in Torres Strait. Chief investigators: H Marsh, A Grech \$24K (2007 - 2008)
James Cook University Collaborative Research Grant	Spatial risk assessments as a tool to inform dugong management in the Great Barrier Reef World Heritage Area. Chief investigators: H Marsh, A Grech \$10K (2007)

Workshops that I have co-convended

International workshops

Best practice principles for the planning and implementation of conservation actions in Indigenous and Traditional communities. 25th International Congress for Conservation Biology, Auckland, New Zealand, 9th December 2011.

Approaches to monitoring and managing seagrasses and risk in the tropical Asia-Pacific region. World Seagrass Congress, Trang, Thailand, 27th November 2010.

National workshops

Workshop on *How effective are Australian Marine Parks at protecting EPBC listed species*, in collaboration with Parks Australia. Zoom, Australia, 27th May 2021.

Workshop on predicting the dispersal and connectivity of seagrass in the Torres Strait. Townsville, Australia, 14th – 16th September 2016.

Workshop on evidence base for Marine Protected Areas in Australian waters. Stradbroke Island, Australia, 21st – 23rd May 2015.

Workshop on the past, present and future of Marine Protected Areas in Australian waters. Stradbroke Island, Australia, 4th - 6th April 2013.

Workshop on cumulative impact assessments to inform the strategic assessment of the Great Barrier Reef World Heritage Area and coast. Townsville, Australia, 24th May 2012.

Workshop on outcomes of a risk assessment for coastal seagrass habitats in the Great Barrier Reef region. Cairns, Australia, 20th May 2010.

Workshop on dugong monitoring and performance indicators in the Great Barrier Reef region. Townsville, Australia, 12th May 2010.

Cape York dugong and turtle management workshop with Traditional Owners. Cairns, Australia, 3rd - 4th June 2009.

Workshop on spatial closures as one of the possible management tools for community-based management of dugongs and turtles in Torres Strait. Thursday Island, Australia, 14th - 16th October 2008.

Torres Strait community global positioning systems (GPS) and geographic information systems (GIS) capacity building workshops. Torres Strait Islands, February - March 2008.

Workshop on risk assessments for seagrasses in the Burdekin Dry Tropics and Wet Tropics Natural Resource Management regions. Townsville, Australia, 23rd May 2008.

Invited technical advisor/observer

International workshops and working groups

FISH CRP Management Committee Meeting no. 3, WorldFish. Representative of ARC Centre of Excellence for Coral Reef Studies. Penang, Malaysia, 12 – 14th September 2017.

French-Australian Workshop on the protection of coral reefs. Representative of ARC Centre of Excellence for Coral Reef Studies. Sydney, Australia, 22nd August 2017.

Best practice principles for monitoring the effect of coastal development on marine mammals. Technical advisor. Dunedin, New Zealand, 7th December 2013.

United Nations Environment Programme/Convention of Migratory Species Dugong Technical Workshop. Technical advisor. Cairns, Australia, 12th - 13th July 2012.

Wildlife Conservation Society and The Nature Conservancy Marine Think Tank: Improving the Effectiveness of Community-managed Marine Protected Areas for Biodiversity Conservation, Fisheries Management and Climate Change Adaptation. Technical advisor. Auckland, New Zealand, 2nd - 4th December 2011.

United Nations Environment Programme/Convention of Migratory Species First Official Signatory State Meeting for the Memorandum of Understanding on the Conservation and Management of Dugongs and their Habitats throughout their range. Technical advisor. Abu Dhabi, United Area Emirates, 4th - 6th October 2010.

Workshop on Improving the Contribution of Marine Protected Areas to the Conservation of Sirenians (manatees and dugongs). Guest speaker. International Marine Conservation Congress, Washington DC, United States, 19th - 24th May 2009.

United Nations Environment Programme/Convention of Migratory Species Dugong Technical Workshop. Technical advisor. Brisbane, Australia, 30th - 31st August 2010.

United Nations Environment Programme/Convention of Migratory Species/South Pacific Regional Environment Programme/Marine Research Foundation Dugong workshop for the Pacific Islands Range States. Technical advisor. Brisbane, Australia, 11th - 12th April 2010.

National workshops and working groups

Deakin University. Best practice for informing marine management decisions with biophysical models. Technical advisor. On Zoom. 3-4th November, 2020.

Queensland Government Department of Agriculture and Fisheries. East Coast Inshore Fishery Working Group, Bycatch/SOCI Workshop. Technical advisor. Townsville, Australia 14-15th May 2019.

Australian Department of Environment and Energy. Australian Government Cetacean Roundtable Meeting. Technical advisor. 19-20th March 2019.

Great Barrier Reef Marine Park Authority, Great Barrier Reef Outlook Report Science Consensus Workshop. Technical advisor. Townsville, Australia 28th – 31st May 2018.

SEWPaC workshop on developing the EPBC Act referral guidelines for dugongs and three migratory tropical inshore dolphin species. Technical advisor. Canberra, Australia, 5th September 2013.

SEWPaC and James Cook University's workshop on developing the EPBC Act referral guidelines for dugongs and three migratory tropical inshore dolphin species. Technical advisor. Townsville, Australia, 14 - 15th February 2013.

AIMS and Great Barrier Reef Marine Park Authority's Bayes Net Seagrass Modelling for the Strategic Assessment. Technical advisor. Townsville, Australia, 10th October 2012.

NERP and James Cook University Island Prioritisation Workshop. Technical advisor. Magnetic Island, Australia, 8th - 9th October 2012.

Great Barrier Reef Marine Park Authority's Strategic Assessment Stakeholder Workshop. Technical advisor. Townsville, Australia, 21st August 2012.

National Environmental Research Program and Great Barrier Reef Marine Park Authority's Great Barrier Reef World Heritage Area Integrated Monitoring Framework. Technical advisor. Townsville, Australia, 13 - 14th August 2012.

National Environmental Research Program and CSIRO's Design and Implementation of Management Strategy Evaluation for the Great Barrier Reef inshore. Technical advisor. Townsville, Australia, 7th August 2012.

National Environmental Research Program and James Cook University's Conservation Planning for a Changing Coastal Zone. Technical advisor. Townsville, Australia, 19th - 20th April 2012.

James Cook University and Torres Strait Regional Authority's Torres Strait Dugong and Turtle Research Workshop. Observer. Thursday Island, Australia, 29th February - 1st March 2012.

Great Barrier Reef Marine Park Authority, Great Barrier Reef Seagrass Workshop. Technical advisor. Townsville, Australia, 11th October 2011.

Australian/Queensland Intergovernmental Dugong Taskforce: Research and Monitoring Workshop. Technical advisor. Brisbane, Australia, 13th April 2011.

Great Barrier Reef Marine Park Authority Expert Advisory Panel: Ecosystem Services of the Coastal Regions Adjacent to the Great Barrier Reef. Technical advisor, Townsville, Australia, 23rd - 24th June 2010.

Torres Strait Regional Authority Indigenous Protected Area Road Show. Guest speaker. Torres Strait Islands, Australia, 13th - 18th April 2010.

Great Barrier Reef Marine Park Authority Lockhart River "Sea Summit". Guest speaker. Lockhart River, Australia, 10th - 11th March 2010.

Department of Environment, Water, Heritage and the Arts Workshop on Australia's Dugong Wildlife Conservation Plan. Technical advisor. Cairns, Australia, 12th - 13th August 2009.

Fisheries Queensland Inshore Finfish Ministerial Advisory Committee Dugong Protection Area Working Group. Technical advisor. Brisbane, Australia, 19th March 2007.

Fisheries Queensland Coastal Seagrass Habitats at Risk from Human Activity in the Great Barrier Reef World Heritage Area Working Group. Technical advisor. Townsville, Australia, 5th March 2007.

Service to the University

Selection committee for Vice Chancellor of James Cook University (2021)

Associate Dean, Research Education, ARC Centre of Excellence for Coral Reef Studies, James Cook University (2016 - 2022)

Member of the James Cook University Gender Equity Action Research team (2021 – 2022)

Member of the Justice, Equity, Diversity and Inclusion Committee, ARC Centre of Excellence for Coral Reef Studies (2020 - 2022)

Equity Contact Officer, James Cook University (2021 -)

Representative of the ARC Centre of Excellence for Coral Reef Studies, Research Committee, James Cook University (2016 - 2018)

Member of the Research Education Sub Committee, James Cook University (2016 - 2022)

MC of James Cook University's "Three Minute Thesis (3MT)" (September 2018 and 2020).

Lead author: ARC Centre of Excellence for Coral Reef Studies Gender Equity Policy: www.coralcoe.org.au/gender-equity Digital Data Management Policy: www.coralcoe.org.au/publications/digital-data Code of Conduct <https://www.coralcoe.org.au/code-of-conduct> Co-author, Annual Report (2016 - 2021): www.coralcoe.org.au/publications?c=annual%20reports

Research Director, Department of Environmental Sciences, Macquarie University (2014-15).

Member of the Faculty of Science and Engineering Research Committee, Macquarie University (2014-15).

Member of the Department Project User Group to inform the redevelopment of Building E7A, Macquarie University (2014-15).

Member of the Department of Environment and Geography Working Group to inform the split of the Department into two separate groups, Macquarie University (2014).

Selection committee for > 20 academic, research and technical positions at Macquarie University and James Cook University (2012 - present).

Organizer of the Australian Research Council Centre of Excellence for Coral Reef Studies seminar series (2011).

Member of the James Cook University Research Data Management Working Group (2012).

Mentoring and professional development activities

Co-founder of the *Women of the Reef* network www.womenofthereef.org with Dr Maxine Newlands (2020 – present).

Appraiser of > 20 early and mid-career researcher's Performance Management Plans, ARC Centre of Excellence for Coral Reef Studies, James Cook University (2016 -).

Co-ordinate professional development activities and training for > 170 students and >50 ECRs across the four university nodes of the ARC Centre of Excellence for Coral Reef Studies (2016 -).

Co-ordinate, mentor and lead review of successful grants (ARC Discovery [n = 2], Future Fellow [1], DECRA [5]; awards (Young Tall Poppy [7], Eureka [2], Australian Academy of Science [6]) and promotion (13) applications. ARC Centre of Excellence for Coral Reef Studies, James Cook University (2016 -).

Presentations on the importance of social media for research, teaching and engagement: ARC Centre of Excellence for Coral Reef Studies (2017); Cohort Doctoral Studies Program, Division of Tropical Health and Medicine, James Cook University (2017); ARC Centre of Excellence in Cognition and its Disorders, Department of Health Professions, Macquarie University (2015); Macquarie University's Social Media Special Interest Group (2014); Departments of Biology and Environment and Geography, Macquarie University, Sydney (2014). Panel member at Macquarie Faculty Seminar Series on Social Media, Sydney (2015).

Convenor of speed-networking event for >40 staff and students of the ARC Centre of Excellence for Coral Reef Studies, JCU and the Great Barrier Reef Marine Park Authority, JCU City Campus, Townsville (August 2019).

Invited speaker on developing academic CVs, ARC Centre of Excellence for Coral Reef Studies, Townsville (2017).

Invited speaker on ARC ROPE for early career researchers, ARC Centre of Excellence for Coral Reef Studies, Townsville (2018, 2020).

Organiser, ARC Centre of Excellence for Coral Reef Studies National Student Mentoring Day (2017-19).

Invited speaker, Macquarie University Women in Science and Engineering event, Macquarie University (2013).

Invited speaker on careers in science, Graduate Network Tropical Research foundation event, James Cook University, Cairns (2012).

Service to the community and government

Ministerial Appointments Queensland Species Technical Committee 2022 – 2024 (*assesses native species that occur in Queensland to determine their conservation status under the Nature Conservation Act 1992*)

Briefings to Government Cumulative impact assessments to inform the strategic assessment of the Great Barrier Reef World Heritage Area and coast (~5,000 words). Great Barrier Reef Marine Park Authority, Australian Department of Environment, Queensland Department of Environment and Heritage Protection. Townsville, Australia, 24th May 2012.

Working together to reduce controversy about Traditional hunting in the Great Barrier Reef. Indigenous Reef Advisory Committee, Great Barrier Reef Marine Park Authority. Burnett Heads, Australia, 16th May 2017.

The ARC Centre of Excellence for Coral Reef Studies, International Year of the Reef, and the state of the Great Barrier Reef World Heritage Area. Governor-General of Australia, the Honourable Sir Peter Cosgrove and Lady Cosgrove. Townsville, Australia, 16th May 2018.

Conserving seagrass in Singapore waters. Ministry of National Development, Government of Singapore. 11th June 2018.

State of the Great Barrier Reef World Heritage Area. Senator Larissa Waters. James Cook University, Townsville. 15th January 2019.

Briefing to Australian High Commissioner in Mauritius on research connections between James Cook University and the Indian Ocean. 18th April 2019.

Author of White Paper on improving the reporting of marine wildlife bycatch in Australian fisheries, Australian Department of Environment and Energy. July 2019.

Submission and witness Submission to Environmental Protection (Great Barrier Reef Protection Measures) and Other Legislation Amendment Bill 2019. Witness to Queensland Government Tourism Development and Environment Committee public hearing: inquiry into the Environmental Protection (Great Barrier Reef Protection Measures) and Other Legislation Amendment Bill 2019

Expert brief to the Federal Court Acted as an independent expert witness in the Federal Court proceedings: Humane Society International Inc v Kyodo Senpaku Kaisha Ltd (November 2015). My role was to conduct analysis in GIS on the overlap between the Australian Whale Sanctuary and the harvest of whales by Kyodo Senpaku Kaisha Ltd, and to present the results in a report (~3,500 words).

International technical advisor United Nations Environment Programme/Convention of Migratory Species Secretariat to the Memorandum of Understanding on the Conservation and Management of Dugongs and their Habitats throughout their Range (2010 – Present). My role is to review funding applications and provide technical advice on the implementation of global dugong and seagrass management initiatives.

Media	I have been interviewed by: ABC Local Radio (Cairns) (2012), The Australian (2013), ABC Fact Check (2014), Torres Strait Radio '4 Meriba Wakai' (2008 and 2010), the Torres Strait News (2010), the International Press Service (IPS) (2012), Science Magazine (2016), The Quarterly Essay (2017), Channel 9 Brisbane (2018), Sydney Morning Herald (2020 and 2021) and ABC Breakfast (2019)..
National school's competition	Developed a series of tasks to challenge and stimulate students' learning in cartography and spatial science for the da Vinci Decathlon, a national academic high school competition (2015).
Public talks	<p>"Translating Science into Action, enhancing engagement using your digital brand". Public Forum of the World Seagrass Conference. National University of Singapore, Singapore, 13th June 2018.</p> <p>Participated in a roundtable discussion with Rt Hon Helen Clark, former Administrator of the United Nations Development Programme and Prime Minister of New Zealand, hosted by JCU Vice Chancellor Sandra Harding. James Cook University, Townsville, 3rd July 2018.</p> <p>"The special relationship between seagrass and the number 2". Public Forum of the ARC Centre of Excellence for Coral Reef Studies Annual Symposium, hosted by Adam Spencer. Gallery of Modern Art, Brisbane, 19th July 2018.</p>

Consultancies

Port of Townsville.	Dugong aerial survey of Cleveland and Bowling Green Bays. Chief investigators: H Marsh, A Grech \$50: (2020-2021)
URS Australia	Spatial models of dugong distribution and relative abundance. \$25K (2012 - 15).
Department of Environment	Updating of SPRAT profiles for 12 species of marine mammals. Co-investigators: R Harcourt, V Pirotta \$11K (2015)
GHD	Aerial surveys and models of dugong distribution and relative abundance. \$10K (2008 - 2012).
URS Australia	Ecological character description for the Bowling Green Bay Ramsar Site: Dolphins, dugongs and turtles. \$2.5K (2009).
Department of Environment	Discussion paper to provide background information to the dugong wildlife conservation plan. Co-investigators: K Weiss, H Marsh \$10K (2009).

Teaching

Convenor	<p><i>Applied GIS (2013 - 2014)</i> Department of Environmental Sciences, Macquarie University</p> <p><i>Introduction to Geographic Information Science (2014 - 2016)</i> Department of Environmental Sciences, Macquarie University</p> <p><i>Introduction to Geographic Information Science for Postgraduates (2015)</i> Department of Environmental Sciences, Macquarie University</p>
